

COMPANY PROFILE

SECURITY · DEFENCE · RECRUITMENT

ABOUT COMPANY

Interbrit Ltd is a distinguished private security, defence, and recruitment company with a proven record of delivering specialist solutions across the UK and internationally. With decades of combined expertise, our team has successfully operated in highly sensitive environments, securing governments, blue-chip corporations, embassies, and critical infrastructure.

Our company is built upon the principles of integrity, professionalism, and reliability, offering a holistic approach to security, defence, and workforce solutions.

Interbrit Ltd continues the legacy of previous successful enterprises – International Business Associates (IBA Recruitment Ltd, IBA.I Ltd) and Aeon Security Ltd – all of which established long-standing relationships with prestigious clients across the globe.

TRACK RECORD & REFERENCES

Corporate History

Through our previous organisations — IBA Recruitment Ltd, IBA.I Ltd, and Aeon Security Ltd — we developed extensive expertise in providing security, defence, and recruitment solutions to a diverse portfolio of clients around the world. These companies established long-standing relationships with embassies, government agencies, multinational corporations, and critical infrastructure providers, building a reputation for professionalism and trust.

Interbrit Ltd carries this legacy forward, using our proven experience as a platform to deliver innovative, tailored services that address the evolving challenges of today's global environment. By strengthening our existing capabilities and expanding into new sectors, we continue to provide clients with comprehensive, reliable, and effective solutions across multiple industries.

UK References
